4       This Act may be cited as the “National African  
5   American Museum Act”.

### 6   **SEC. 2. FINDINGS.**

7       (a) FINDINGS.—The Congress finds that—

8               (1) the presentation and preservation of African  
9   American life, art, history, and culture within the

1 National Park System and other Federal entities is  
2 inadequate;

3 (2) the inadequate presentation and preserva-  
4 tion of African American life, art, history, and cul-  
5 ture seriously restricts the ability of the people of  
6 the United States, particularly African Americans,  
7 to understand themselves and their past;

8 (3) African American life, art, history, and cul-  
9 ture includes the varied experiences of Africans in  
10 slavery and freedom and the continued struggles for  
11 full recognition of citizenship and treatment with  
12 human dignity;

13 (4) in enacting Public Law 99–511, the Con-  
14 gress encouraged support for the establishment of a  
15 commemorative structure within the National Park  
16 System, or on other Federal lands, dedicated to the  
17 promotion of understanding, knowledge, opportunity,  
18 and equality for all people;

19 (5) the establishment of a national museum and  
20 the conducting of interpretive and educational pro-  
21 grams, dedicated to the heritage and culture of Afri-  
22 can Americans, will help to inspire and educate the  
23 people of the United States regarding the cultural  
24 legacy of African Americans and the contributions

1 made by African Americans to the society of the  
2 United States; and

3 (6) the Smithsonian Institution operates 15  
4 museums and galleries, a zoological park, and 5  
5 major research facilities, none of which is a national  
6 institution devoted solely to African American life,  
7 art, history, or culture.

8 **SEC. 3. ESTABLISHMENT OF THE NATIONAL AFRICAN**
